

Valley Partnership 2010 Community Project Proposal Form

Founded in 1987, Valley Partnership is the real estate industry leader advocating for responsible growth policies through public private partnerships that positively impact growth and economic development.

One of our cornerstones is community service. Each year, Valley Partnership selects a non-profit organization that can benefit from the donations of our Partners expertise and experience. Services include exterior work and renovations (ex: landscaping, painting, play equipment, fencing). Over the past 22 years, Valley Partnership has contributed over \$3.5 million to the community.

If you know of, or are part of an organization that would benefit from the community service of Valley Partnership and its Partners, please answer the questions on the following page about the organization - supplementary information will be accepted.

The deadline to submit completed applications for the 2010 Community Project is **Friday, March 19, 2010**. For more information or to apply, please contact Monica Sanjines at 602-266-7844 or msanjines@valleypartnership.org.

Thank you for applying.
